For caravans only	10		

Children under 6 years travel for free in the same cabin with their guardians.

The total fare is comprised of the basic passenger fare multiplied with the number of persons sharing a cabin and the cabin fare.

When at least two adults are travelling in the same cabin, other passengers travel in the same cabin for free.

When travelling with pets, booking a pet cabin is always compulsory.

There is a limited amount of recliner seats onboard. If the seats are not in use or are sold out, a cabin booking is compulsory.

Recliner seats are not suitable or sold for children under 13 years. Recliner seats are available during summer season only.

Animal transport (e.g. dog teams and horses) fares will be calculated according to the additional metre surcharge. Animal transports are to be booked via call centre only.

Vehicles carrying commercial goods and vehicles registered for commercial transportation must be booked through the freight department.

If you book a return trip, we will grant you a 20% discount on the return part of the trip.

In order to get the discount, you need to book the outbound and inbound trip at the same time.

The discount does not apply to meals, pets or electrical connections for campers.

Finnlines reserves the right to change prices or timetables without prior notification, as may be required due to increased security charges or bunker expenses, changed traffic patterns or other unforeseeable causes or events.
